

11th Annual Canada Day Cup July 1st-3rd, 2022

TOURNAMENT RULES AND REGULATIONS

Playing Rules

1. The playing rules will be pursuant and in accordance with the rules set forth by the rules governing hockey by Hockey Canada. Rules, regulations and a Code of Discipline shall apply to all teams. The Code of Discipline referred to is the Code of Discipline of the HEO.
2. Neck guards & Mouth guards: Players are required to wear neck guards & mouth guards for all tournament games if they are required to in their home zones. (Neck guards are required for all Canadian teams) Both are **STRONGLY** recommended.
3. Body Checking (for clarification only): Is permitted at the 2009 through 2008 divisions ONLY. Body checking is not permitted at the 2014 through 2010 divisions.
4. Game Length:
 - a. Periods and running times to be used:
 - I. **2014-15 to 2011:** Games will consist of 3 x 12 minute stop-time periods
 - II. **2010 to 2008:** Games will consist of 2 x 12, 1 x 15 minutes stop-time
 - b. If, at the beginning of the third period or at any time during the third period, a team is ahead by five or more goals, straight running time shall commence on the game clock. If the goal differential is seven goals at any time during the first or second period, running time shall also commence. If at any point the margin is reduced to two goals or less, stop-time play shall resume. This rule is in effect for all games including round robin, playoffs, and championship games.
5. Time-Outs: One (1) thirty (30) second time out will be permitted in **ALL** games (round-robin & playoff).
6. **Overtime, Playoff Format** will consist of:
 - a. One sudden-death 5-Minute stop time period with teams playing three (3) skaters plus a goaltender.
 - b. If still tied, a shootout will take place with 3 skaters from each team. The coach of each team will provide the game officials with the list of these three players immediately following the final overtime period. The team that scores the most goals with these three skaters will be declared the winner. The HOME team will have the option of shooting first or last. Once the order is determined, it will remain the same for all future rounds of the shootout. A player from one team will go, followed by a player from the other team, and so on until all 3 designated players have shot.
 - c. If still tied a sudden-death shootout with one player from each team. Each shooter must not have participated in any prior round of the shootout.
 - d. Repeat step above until every skater has shot. Should a team use all its players, that team will use its skaters in reverse order, continuously moving up and down their shooting order, until a winner is decided.
7. Goal Differential: The MAX goal differential a team can obtain in a single game is 7 GF (Goals For). EX: If a game results in a score of 10-2, the score applied to the standings will be 9-2. If the score is 10-0, the score will result in a 7-0 final.
8. Tie-Breaker, Round Robin: If tied in points, standings (seedings) will be determined based on the following order:
 - a. The head-to-head result involving the teams tied (two-way ties only or if one team has beaten all others they are tied with).
 - b. The team with the most wins in round robin play.

- c. The highest ratio of goals for divided by goals for plus goals against $[GF/(GF + GA)]$ (up to the 5th decimal)
- d. The team with the lowest number of penalty minutes accumulated in round-robin play.
- e. The team with the lowest number of goals against
- f. Coin toss by the tournament coordinator or a designated representative.

Note: in the event that three or more teams are tied, there will be no reverting back to a previous tie-breaking step as each seed is determined. Should two of three teams still be tied after a tie breaker, those two teams will continue down the list of tie breakers, and the single team will either be eliminated (if they fell below the other two teams), or be skipped above (if they stood above the other two teams). Furthermore, please note that the highest ratio tie breaker heavily favors fewer goals against as opposed to higher goals for.

9. Stick Measurements: Teams are **NOT** allowed to request the measurement of any stick during tournament games. If teams have a concern with an opposing player's stick, they must bring it forward to the attention of the referees, whom will use their discretion in the matter.
10. Game Misconduct Penalties: Any player or team official receiving a game misconduct penalty will be penalized at a MINIMUM according to the code of discipline, but may be penalized further by the tournament. This will involve at least a ONE-GAME suspension for all Game Misconducts.
11. Gross Misconduct Penalties: Any player or team official receiving a gross misconduct penalty will be penalized at a MINIMUM according to the code of discipline, but may be penalized further by the tournament. This will involve at minimum a TWO-GAME suspension.
12. Suspensions: Any player/coach/team official who receives a penalty that is considered to be a suspendable offence (M, GM, GRM, MP, etc.) will be required to serve the entire duration of such suspension during the course of the tournament. Should this suspension not be entirely served by the end of the tournament, the suspension(s) will carry over to other Sensplex Tournaments and possibly other spring tournaments.
13. Any player who receives three (3) stick-infraction penalties (cross-checking, high sticking, butt-ending, slashing, spearing) in the same game will receive an automatic game ejection.
14. A player of the game or hardest worker award may be awarded at the conclusion of each game. No player may win the player of the game more than once during the round-robin portion of the tournament.
15. For playoff and championship games, the home team will be the team with the highest seeding after the round robin portion in the tournament.

In the event of a lost protest, the fee will be donated to the Sens Foundation on behalf of the tournament itself.
