TOURNAMENT RULES AND REGULATIONS

Playing Rules

1. Playing rules will be those recognized by HEO Minor (Hockey Eastern Ontario Minor), except as noted.
2. Neck guards & Mouthguards: Players are required to wear neck guards & mouthguards at all times during play if their own district requires that they do in league play.
3. Body Checking (for clarification only): Is only permitted in the U14 & U15 divisions.
4. Game Length:
 - a. Periods and running times to be used:
 - i) **U11 (Kanata Division):** Games will consist of 3 x 12 stop-time periods.
 - ii) **U12 & U13:** Games will consist of 1 x 12, 2 X 15-minute stop-time periods.
 - iii) **U14 & U15:** Games will consist of 1 x 12, 2 X 15-minute stop-time periods, with a flood every two periods. **Semi-final & Championship Games will begin on fresh ice and feature a flood after the second period.**

In situations of extreme delay, a curfew clock may apply to regulation time only in round robin play at the discretion of the tournament coordinator should it be required to help keep the tournament within its allotted ice times. The tournament committee reserves the right to impose a curfew clock on Playoff games as well, in the case of an extended injury or other prolonged delay.

- b. After intermissions (mid-game floods – for applicable divisions) teams should go directly to their bench - no warm-up is permitted at this time. Teams are to ice their starting players only.
 - c. If, at the beginning of the third period or at any time during the third period, a team is ahead by five or more goals, straight running time shall commence on the game clock. If the goal differential is seven goals at any time during the first or second period, running time shall also commence. If at any point the margin is reduced to three goals or less, stop-time play shall resume. This rule is in effect for all games including round robin, playoffs, and championship games.
5. Time-Outs: One (1) thirty (30) second time out will be permitted in ALL games (round-robin & playoff).
6. Overtime: Overtime will only be played in playoff and championship games if regulation time produces a tie. Overtime shall consist of:
 - a. One sudden-death 5-Minute stop time period with teams playing three (3) skaters plus a goaltender. Teams DO NOT change ends for this fourth period.
 - b. If still tied a shootout with 3 skaters from each team. The coach of each team will provide the game officials with the list of these three players immediately following the final overtime period. If a player was penalized during overtime and there is still time remaining in their penalty at the end of overtime, that player is not eligible to participate in the shootout. The team that scores the most goals with these three skaters will be declared the winner. The HOME team will have the option of shooting first or last. Once the order is determined, it will

- remain the same for all future rounds of shootout. A player from one team will go, followed by a player from the other team, and so on until all 3 designated players have shot.
- c. If still tied a sudden-death shootout with one player from each team. Each shooter must not have participated in any prior round of the shootout. Whichever team shot first in the previous round, will once again shoot first.
 - d. Repeat point d. until no skater remains that has yet to participate. At this point, the shootout will continue in reverse order, starting with the player who has most recently shot. Teams will continuously work up and down their list of shooters until a winner has been declared.
8. Round Robin Standings: Standings will be based on points: two (2) points for a win, one (1) point for a tie, no points for a loss.
 9. Tie-Breaker, Round Robin: If tied in points, standings (seedings) will be determined based on the following order:
 - a. The head to head result involving the teams tied (two-way ties only or if one team has beaten all others they are tied with).
 - b. The team with the most wins in round robin play.
 - c. The highest ratio of goals for divided by goals for plus goals against $[GF/(GF + GA)]$ (*up to the 5th decimal*)
 - d. The team with the lowest number of goals against
 - e. The team with the most goals for
 - f. The team with the lowest number of penalty minutes accumulated in round robin play.
 - g. Coin toss by the tournament coordinator or a designated representative.

Note: in the event that three or more teams are tied, there will be no reverting back to a previous tie-breaking step as each seed is determined. Should two of three teams still be tied after a tie breaker, those two teams will continue down the list of tie breakers, and the single team will either be eliminated (if they fell below the other two teams), or be skipped above (if they stood above the other two teams). Furthermore, please note that the highest ratio tie breaker heavily favors fewer goals against as opposed to higher goals for.

10. Game Misconduct Penalties: Any player or team official receiving a game misconduct penalty will be penalized at a MINIMUM according to the HEO Minor code of discipline, but may be penalized further by the tournament committee or a higher governing body.
11. A player of the game or hardest worker award may be awarded at the conclusion of each game. No player may win the player of the game more than once during the round-robin portion of the tournament.
12. For playoff and championship games, the home team will be the team with the highest seeding after the round robin portion in the tournament using the tie-breaking rules above.
13. ALL teams will shake hands at the conclusion of each game.
